Subject: Request for Government Veterinary Hospitals and Private Animal Rescue Centers
Addresses for Website Integration and Public Awareness

Dear Sir,

I hope this letter finds you well. I am writing to request your assistance in obtaining the addresses of Government Veterinary Hospitals and Private Animal Rescue Centers in Andhra Pradesh. Our team is developing a website aimed at integrating data on animal welfare services, including veterinary hospitals and rescue centers.

The primary objective of this website is to create a centralized platform that provides citizens with easy access to information on animal welfare services, promoting awareness and encouraging responsible pet ownership. By having all the relevant information in one place, we hope to facilitate a more compassionate and informed community.

To achieve this goal, we kindly request your department to provide us with the following:

1. Addresses and contact details of all Government Veterinary Hospitals in Andhra Pradesh.
2. Addresses and contact details of registered Private Animal Rescue Centers in Andhra Pradesh.

We assure you that the information provided will be used solely for the purpose of creating a public awareness platform and will not be shared with any third-party organizations for commercial purposes.

We would be grateful if you could provide us with the required information at your earliest convenience. Please feel free to contact us if you require any additional information or clarification.

Thank you for considering our request. We look forward to your positive response and to working together towards creating a more compassionate society.

Sincerely,

T.Vamsi
