Subject: Request for Sanitary Contact Details of Andhra Pradesh for Integration into Animal Rescue Website

Dear Sir/Madam,

I hope this letter finds you well. I am writing to kindly request the contact details for the sanitary departments across Andhra Pradesh, which we intend to integrate into our animal rescue website. This initiative is aimed at providing a comprehensive platform for animal rescue operations, where the public can access important sanitation contact information alongside government veterinary services and recognized rescue addresses.

We have already gathered information regarding government veterinary contacts and government-recognized rescue organizations, and the addition of sanitary contact details will further enhance the website's utility in supporting animal welfare and improving public awareness.

We kindly request the contact details for sanitation departments from various districts and municipalities across Andhra Pradesh. This information will be instrumental in helping us provide timely and relevant information to the public, especially in situations requiring sanitary services in animal rescue operations.

We greatly appreciate your assistance in facilitating this request and hope to receive the necessary contact details at your earliest convenience. If any formalities or additional steps are required from our end to process this request, please do let us know.

Thank you for your attention to this matter. We look forward to your kind support in helping us further the cause of animal welfare and public awareness.

Yours sincerely,
T.vamsi
